... come explore our hidden treasures

Santa Margarita, the gateway to the north county, come explore our hidden treasures!
We have a great little town of which I have been part of for over 25 years. There are so many creative talented smart artistic friendly people here, that I would like to do my part to help us get the recognition we need to succeed. The creation of this website is to feature our local businesses and highlight our hidden treasures. Whether you are a potter or plumber, a church or club, own a winery or a tire shop, this website is for you.

I will promote *visitSantaMargarita.com* and in turn promote YOU!

Contact me now to get listed. I look forward to sharing "Visit Santa Margarita" with the World!
